Municipal Elections Questionnaire
(Your answers will be posted on our website)

Candidates Name: *Bill Crisp*

District: *6, Fayetteville, NC*

What endorsements have you received to date?

Personal contributions only. No endorsements.

If offered, would you accept contributions from political action committees affiliated with the real estate industry? (RPAC, Buildpac etc.)

Depends on who they are. Yes from your PAC or Homebuilders, but not from labor groups or unions.

With crime being the #1 City Council priority, what solutions would you bring to the table and how would you fund them?

We already increased taxes last year with a minimum of 40% of that increase going directly to the FPD. Recently, council approved that any unspent funds in the FPD will "roll over" into the FPD budget and not back to the General Fund.

What ideas do you have to make it easier to open and maintain a new business in Fayetteville?

We have established an Economic Dev Office. The main purpose is to assist persons (cut through red tape) who want to start a small business. Also, this office is to reach out to attract small businesses.

What are your solutions for homelessness?

We are currently looking at a number of options, but realistically, I don't have a clue at this time in terms of long-term solutions.

Would you like the City of Fayetteville's seal changed?

I am not passionate about it. If the majority of council says yes, I will go with the majority rule; however, I am long past finding the Market House offensive to me.

What new ideas/concepts can you bring to the office you are seeking?

I want to build a Performing Arts Center, Bill Crisp
