There is a direct correlation between low crime rates and homeownership. What are your thoughts on reducing crime in the community?

To reduce crime we must provide jobs and we need a vocational high school, everyone who does not have college level aptitude cannot afford FRED the job marketplace, crime will decrease, I want to see the funding for summer camps as

There is also a direct correlation between job growth and housing growth. Do *intend*, you have a plan for attracting new business to the area?

We developed an entire Economic Development proposal, we are currently presenting it to the board and anticipate summer job program in the near future, we recently attracted almost 500 and one on the bank of announcing 1100 jobs.

What is your definition of "Quality of Life" within a community?

It means a safe community, a well prepared best neighborhood with parks and amenities. It means recreational facilities in close proximity and programs for adults and children.

How would you generate revenue for the city... other than property taxes?

I will ask for a comprehensive review of all vacant city owned properties, we need to sell city owned vacant lots and return them to the tax rolls.

What new ideas/concepts can you bring to the office you are seeking?

I want to form a task force consisting of developers, builders, authors and ~~other~~ select city staff and they would explore to study and recommend needed changes to the city. I would develop businesses, we must help the building industry

Would you take REALTOR® Political Action funds from the Longleaf Pines REALTORS, Inc. to help with your campaign? If yes, do you have an open campaign account? *Yes and I do have and open account. "Bill Crisp Campaign"*

Please list any endorsements you have received to date.

I have not received any, One final note, I want to "cut" outside developers/builders from building more apartment/condo in our city.
