

County Candidate Questionnaire – Page 2

Responses on this page will be published on the LPR Government Affairs Page
for review by our members and the public

1. What NEW initiatives will you be working on once in office?

Cumberland County Beautiful. Creating ways to deal with abandoned houses, over grown weeds, litter, and other items that could possibly hinder attraction to Cumberland County.

2. What is the number 1 challenge facing the county? Is there a solution?

The County getting clean and safe water Countywide. Yes, there's a solution but we as a board have not identified one as of yet.

3. There is a statewide issue with unmaintained roads in county neighborhoods recently referred to as "orphaned roads." A bill was introduced in the General Assembly two years ago but has not moved forward. What are your thoughts for solving this problem?

I hope the bill moves forward to assist those communities that have such a road, maintain it. If living on such a road it can be a major problem for those people in a number of ways such as for emergency personnel.

4. Tell us about yourself and why you choose to run for office?

I'm a Cumberland County native, attended Terry Sanford High School, Served in the Army at Ft. Bragg. I ran to represent all citizens, but to make sure that fairness in government was given to each citizen in Cumberland County.

5. Would you accept REALTOR® Political Action Committee funds from our Association? Do you have an open campaign account?

yes. yes
