

Longleaf Pine REALTORS*

Serving REALTORS in Eastern North Carolina since 1946

2020 Candidate Questionnaire County Elections

Do you have any ideas or a plan to help with the current negative economic results of the pandemic and how would you implement?

I will attack the pandemic by making sure resources (financial and personnel) are provided for public health in addition to distributing financial assistance to stressed small businesses from the CARES Act funding provided to counties.

If elected, how would you resolve any water issues (i.e. Gen X) or future water contamination in your County? How do you safe guard clean water?

Detection of GenX in NC water over the last 10 years demonstrates the effectiveness of monitoring, federal and state regulation, and community awareness of the importance of clean water. I will coordinate with our local legislative delegation to continue effective water quality oversight. I will be alert to DWR information.

(this question only applies to Cumberland County) Now that Cumberland County is considered a Tier 1 status, what grants would you propose applying for?

Running in Lee County

As REALTORS® become more engaged in our communities, how do you propose to improve communication to be a part of the conversation instead of REALTORS® being reactive to issues that harm homeownership and private property rights?

There are a number of organizations interested in promoting the welfare of our states citizens, similar to Longleaf Pine Realtors®. My goal as Commissioner would be to both push and pull information to and from these organizations. We need to talk and be aware of avenues of influence that can improve our quality of life.
