2022 Candidate Questionnaire Municipal Elections

What's your plan to address the need for workforce and affordable housing?

I have been a strong voice for workforce and affordable housing for the past 8 years and will continue to advocate for the need to build more affordable housing in Cumberland Co. (Fayetteville).

List three ideas that you would do if elected to attract high paying jobs and industries?

① Give greater incentives and tax breaks to corporations that is looking to come to Fayetteville ② Create policies and incentives the hiring of more police officers to insure we have a safer community. ③ Work with our school system to insure our schools are safe and offer a high quality education.

What do you see as the biggest challenge in your district?

① Storm water runoff. ② Increased traffic do to the growth out west.

Regarding tourism, what can be done to promote a vibrant city to outside guest and even within the community:

More Promotion, TV commercials, Billboards ON I-95 North and South Advertising the great things that Fayetteville offers. A greater presence on social media and a continue update on city website.

How do you propose to improve communications between your office and the community of REALTORS® who are becoming more engaged on issues in your district?

Set up zoom meetings with the Realtors, more interaction on my Face Book page where they can get information and upcoming events in my district. Invite to city council meetings and community watch meetings to hear the concerns of the residence in District 7.
